PUBLISH DATE AND REMOVE DATE IS NOT DEFAULTING TO TODAY'S DATE - Aug 4th, 2010

When you create a new record they should default to the current date. Check your timezone offset under Admin > Regional Settings.

This will ONLY affect new records, it will not change existing records.

The materials on this web site have been created for use with CMS Builder content management software. CMS Builder software is published and licensed for use by InteractiveTools.com.
